A vibrant, hand-drawn illustration of a modern living and dining space. In the center, a green sofa sits on a purple rug, accompanied by a red armchair and a round wooden coffee table. A dining table with a wooden top and metal legs is set with plates and glasses, surrounded by a teal chair and a wooden chair. The walls are decorated with various clocks, framed pictures, and hanging plants. A large potted plant is on the left, and a smaller one is on the right. The overall style is colorful and whimsical.
