Would you Rather Beach or Mountains

If I had to choose to live at the beach or in the mountains, I would choose to live at the beach. I love the beach! Here are three reasons why the beach wins my heart!

First, I love to swim in the waves. Sometimes I like to try and body surf with my brother. Next, I think the ocean is beautiful! I hope I can live in a house with an ocean view one day. Finally, I want to live at the beach because I like summer fashion. I like wearing sandals and summer dresses.

The beach is fun, **gorgeous** and relaxed. I love to visit the beach and I hope I can live there one day! How about you?

My Bucket List

I am young, so I still have a lot of life to live. There are many things that I have never done before, but really want to try. These are the top three things on my bucket list. Three things that I really want to do before I die.

The top wish on my bucket list is to visit Hawaii. I have never been there and I really want to go! I want to swim and try to snorkel. I hope I can see a sea turtle and lots of colorful fish. I also want to try Hawaiian food and watch a hula dance show.

My second wish is to **adopt** a dog. I have never had a pet and I really want one. Also, there are a lot of dogs that don't have a home I want to save a dog and get a pet.

Finally, I want to write and illustrate my own comic book. I love to draw! I have **created** a lot of my own characters, but I have never written a comic. My dream is to write a comic series that becomes famous. I hope all of my dreams come true!

My Favorite Game

Most of my friends love video games, but not me. I love to play cards. My mom and I always play cards together. She taught me a lot of games. Some games make me think a lot and some games just make us laugh. My favorite game is called spoons.

Spoons is an exciting game because you have to play fast. You need at least 3 players to play. Each player gets four cards to start the game. Next, you put spoons in the middle of the table. If you have 3 players, then you put 2 spoons on the table.

The game starts with a leader. The leader takes a card from the pile. If he wants it, he keeps it and passes a different card in his hand to the next player. If he doesn't want the card, he passes it **quickly**. The players keep passing cards around the table.

To win the game you have to try and get four of the same cards in your hand. If you get four of the same cards you take a spoon from the middle of the table. Once a player has taken a spoon, everyone can! The player who does not get a spoon loses.
