PENGUIN PIRATES

Written By: Katie Kato
Illustrated By: Yuko Kato

Three penguins live on the ice.

They are bored.

The penguins have an idea.

They find a ship and set off on a pirate adventure.

They meet a red and brown woodpecker

It's so cold.

It's so blue.

It's so quiet.

The penguins are bored again.

They meet a red and brown woodpecker

It's so cold.

It's so blue.

It's so quiet.

They follow it to ...

A forest!

The penguins look for treasure.
They walk up and down and all around.

TOO BAD. NO TREASURE.

Wait ... Look ... What's that?!

TREASURE!!!!

The penguins find sticks.
Woo hoo! Now they have pirate swords!

The penguins say goodbye and set off
on their next adventure.

It's so sunny.

I'm so hot!

I'm so thirsty.

The penguins are bored again.

They meet a pink flamingo.

They follow it to ...

A desert!

The penguins look for treasure.
They walk up and down and all around.

TOO BAD. NO TREASURE.

Wait ... Look ... What's that?!

TREASURE !!!

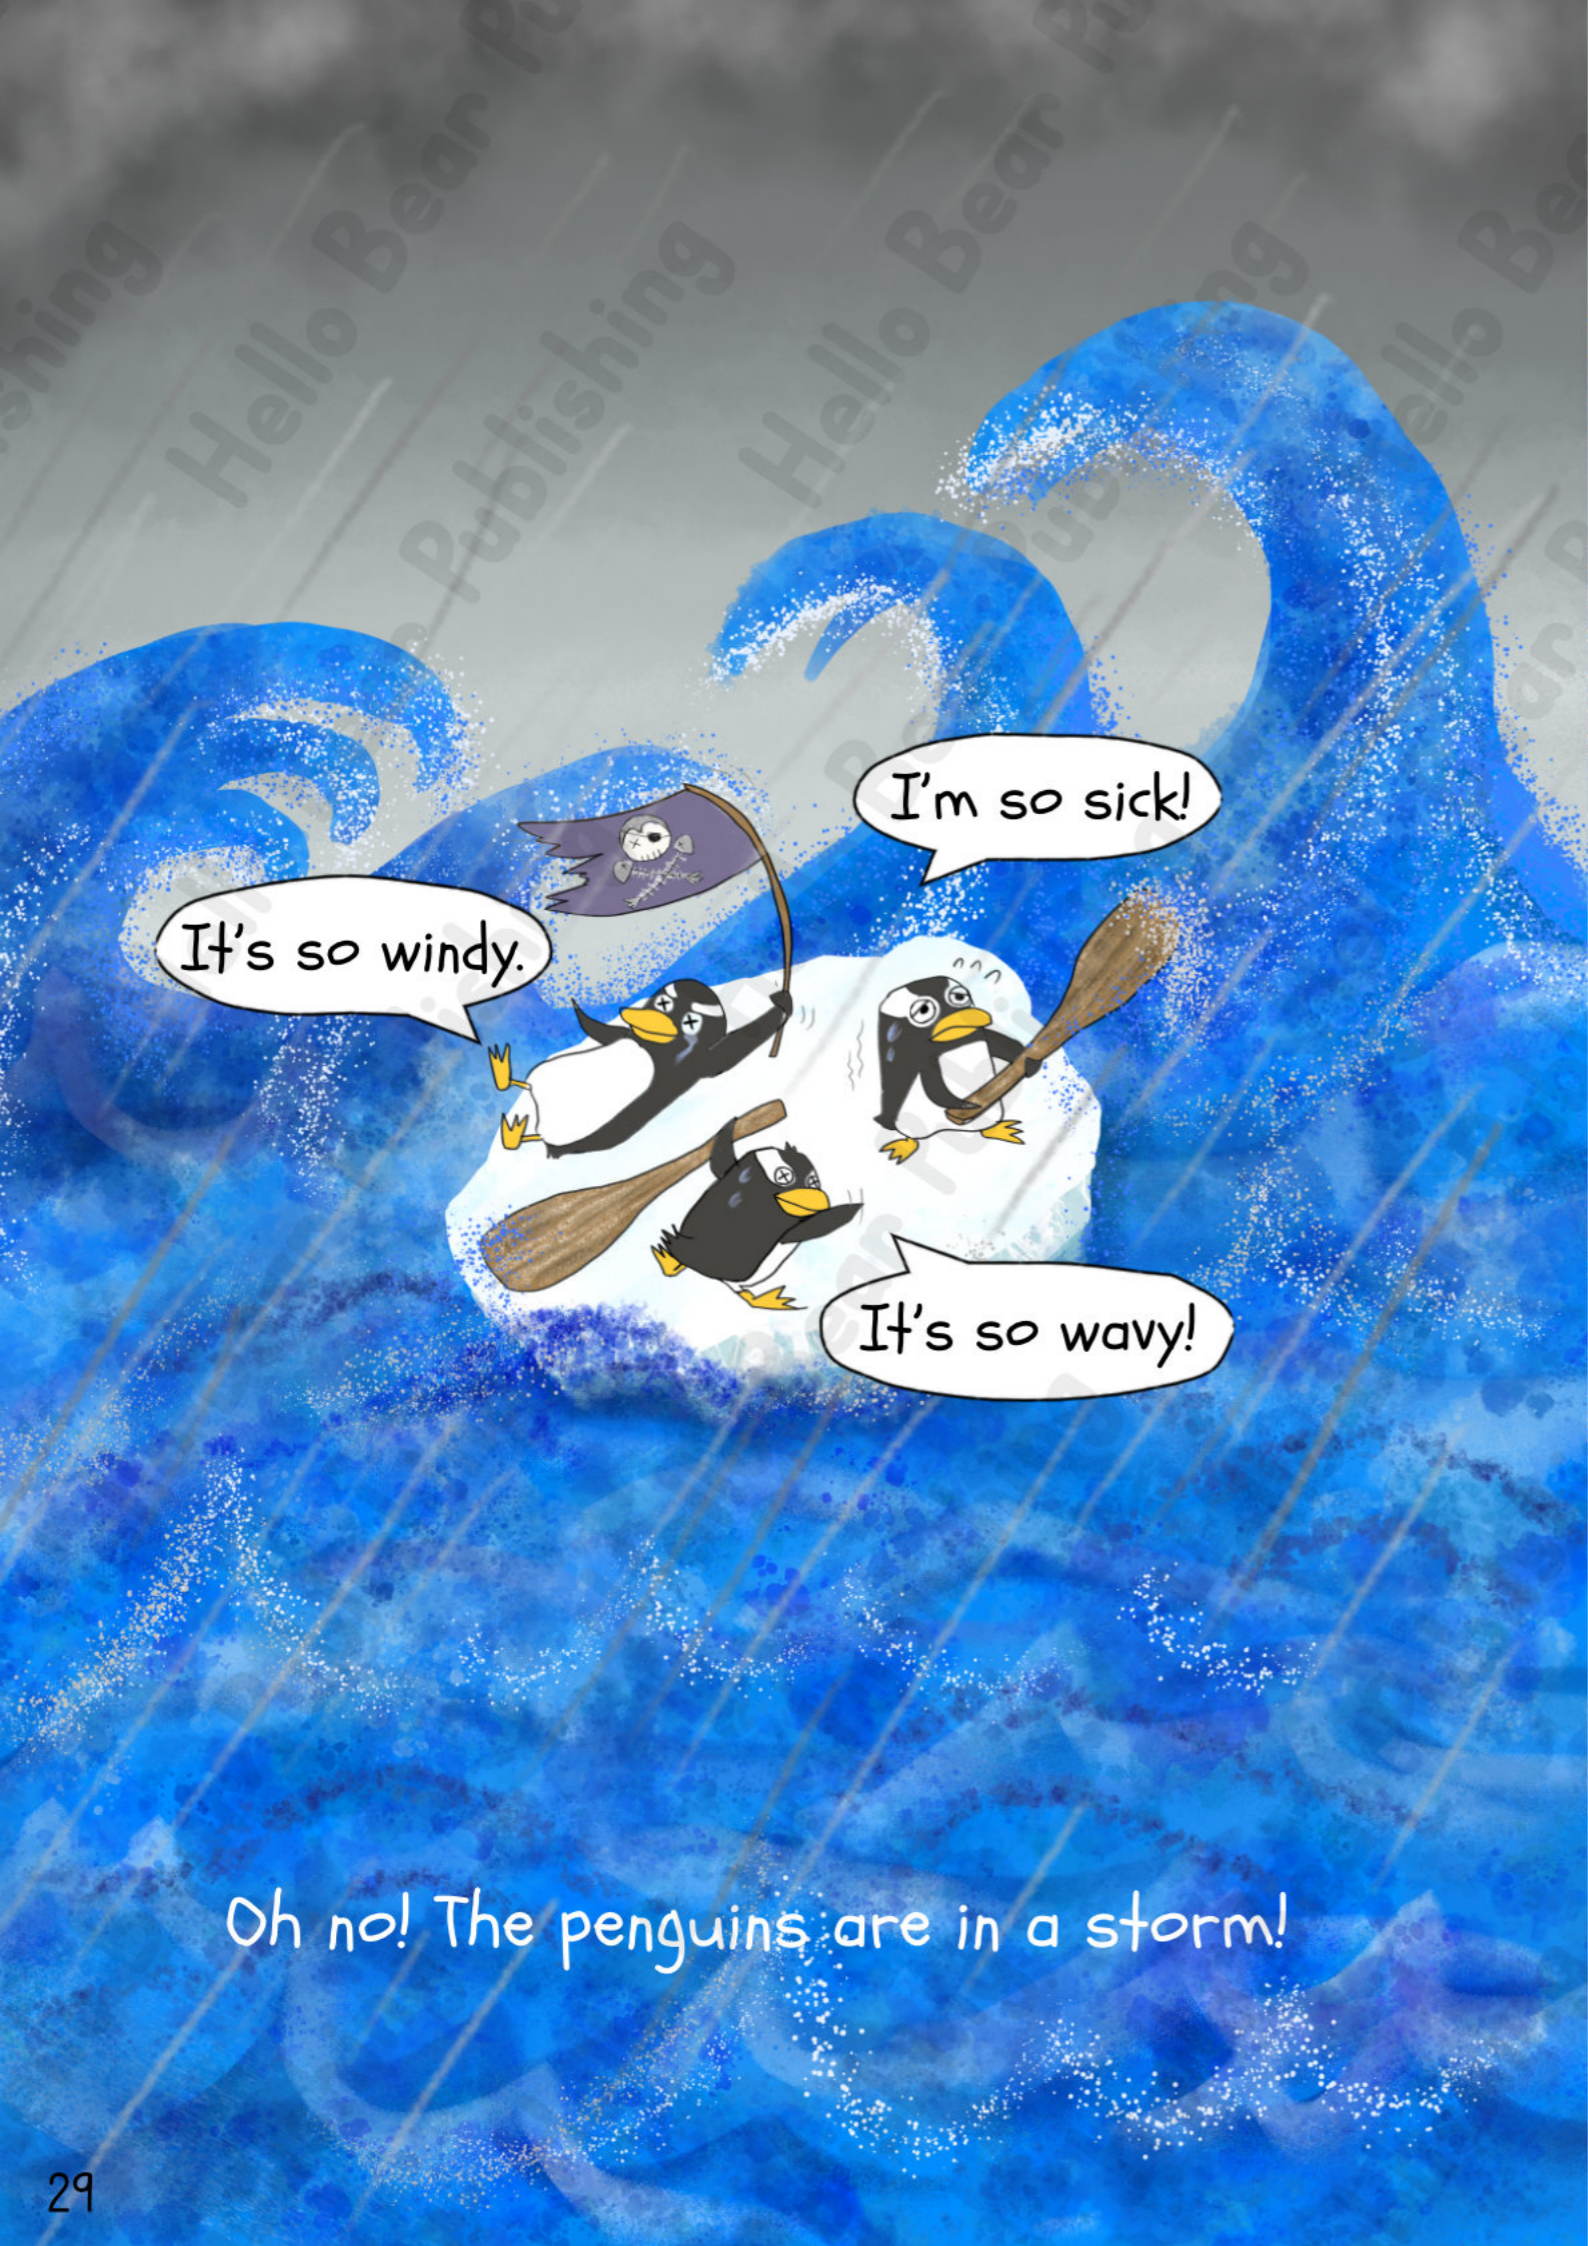

The penguins find mud.

Woo hoo! Now they have body paint!

The penguins say goodbye and set off
on their next adventure.

It's so windy.

I'm so sick!

It's so wavy!

Oh no! The penguins are in a storm!

They meet a blue footed booby.

They follow it to ...

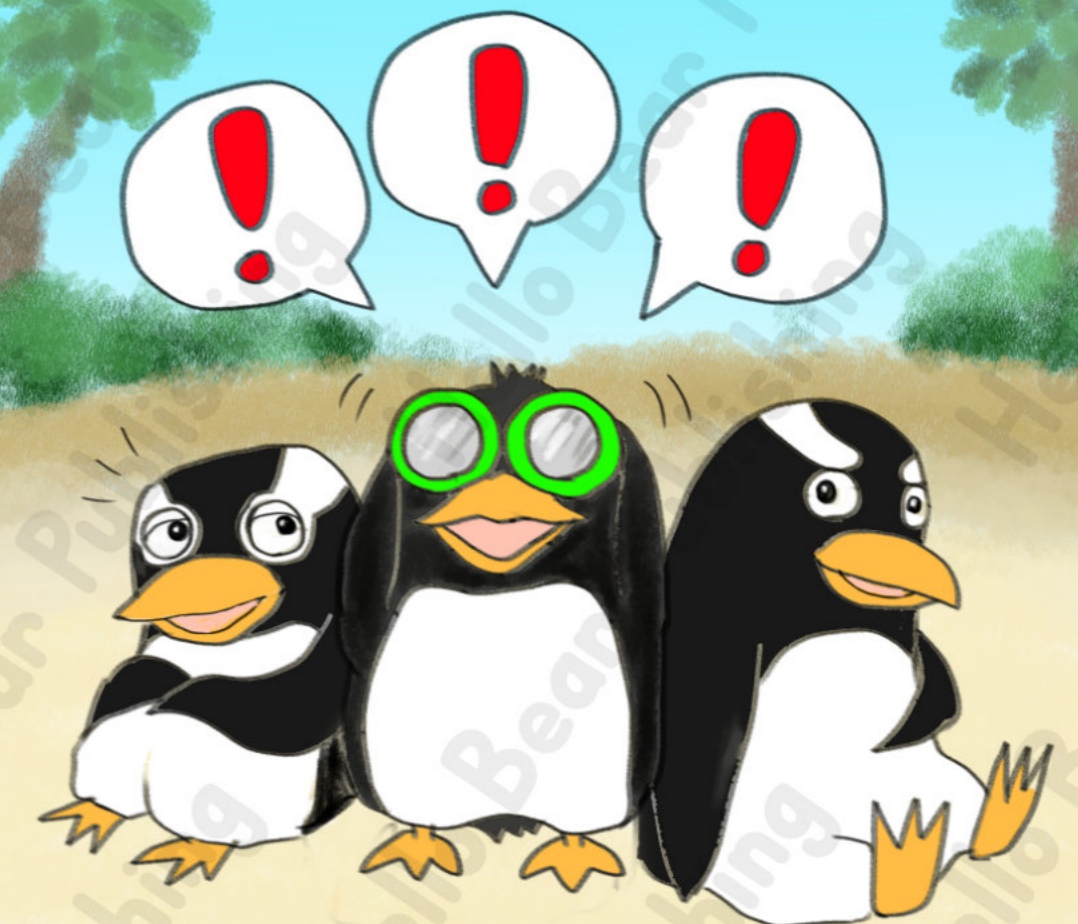

An island!

The penguins look for treasure.
They walk up and down and all around.

TOO BAD. NO TREASURE.

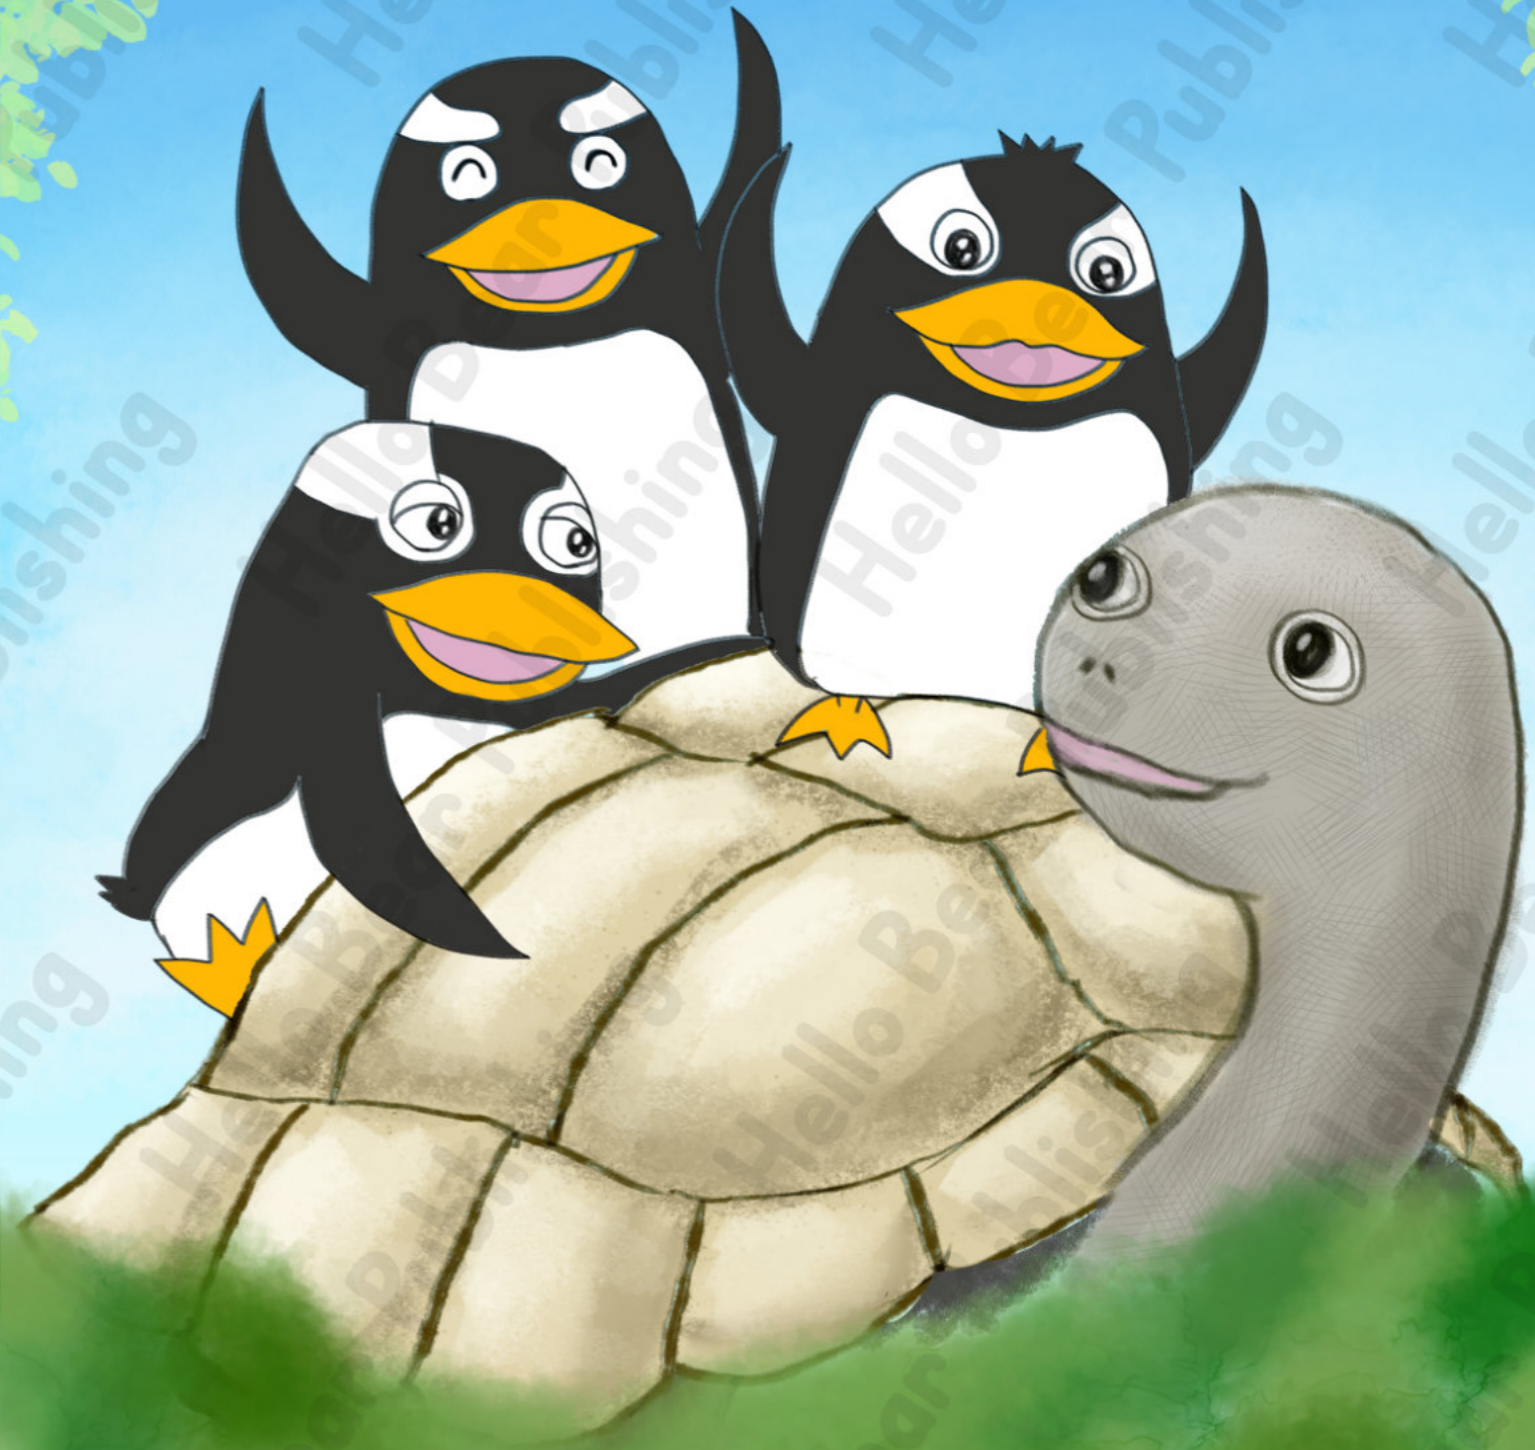

Wait ... Look ... What's that?!

TREASURE!!!

The penguins find a big rock.
Woo hoo! Now they have ...

A friend!
The rock is a tortoise.

The penguins and the tortoise say goodbye and set off on their next adventure.

It's so rainy.

It's so wet.

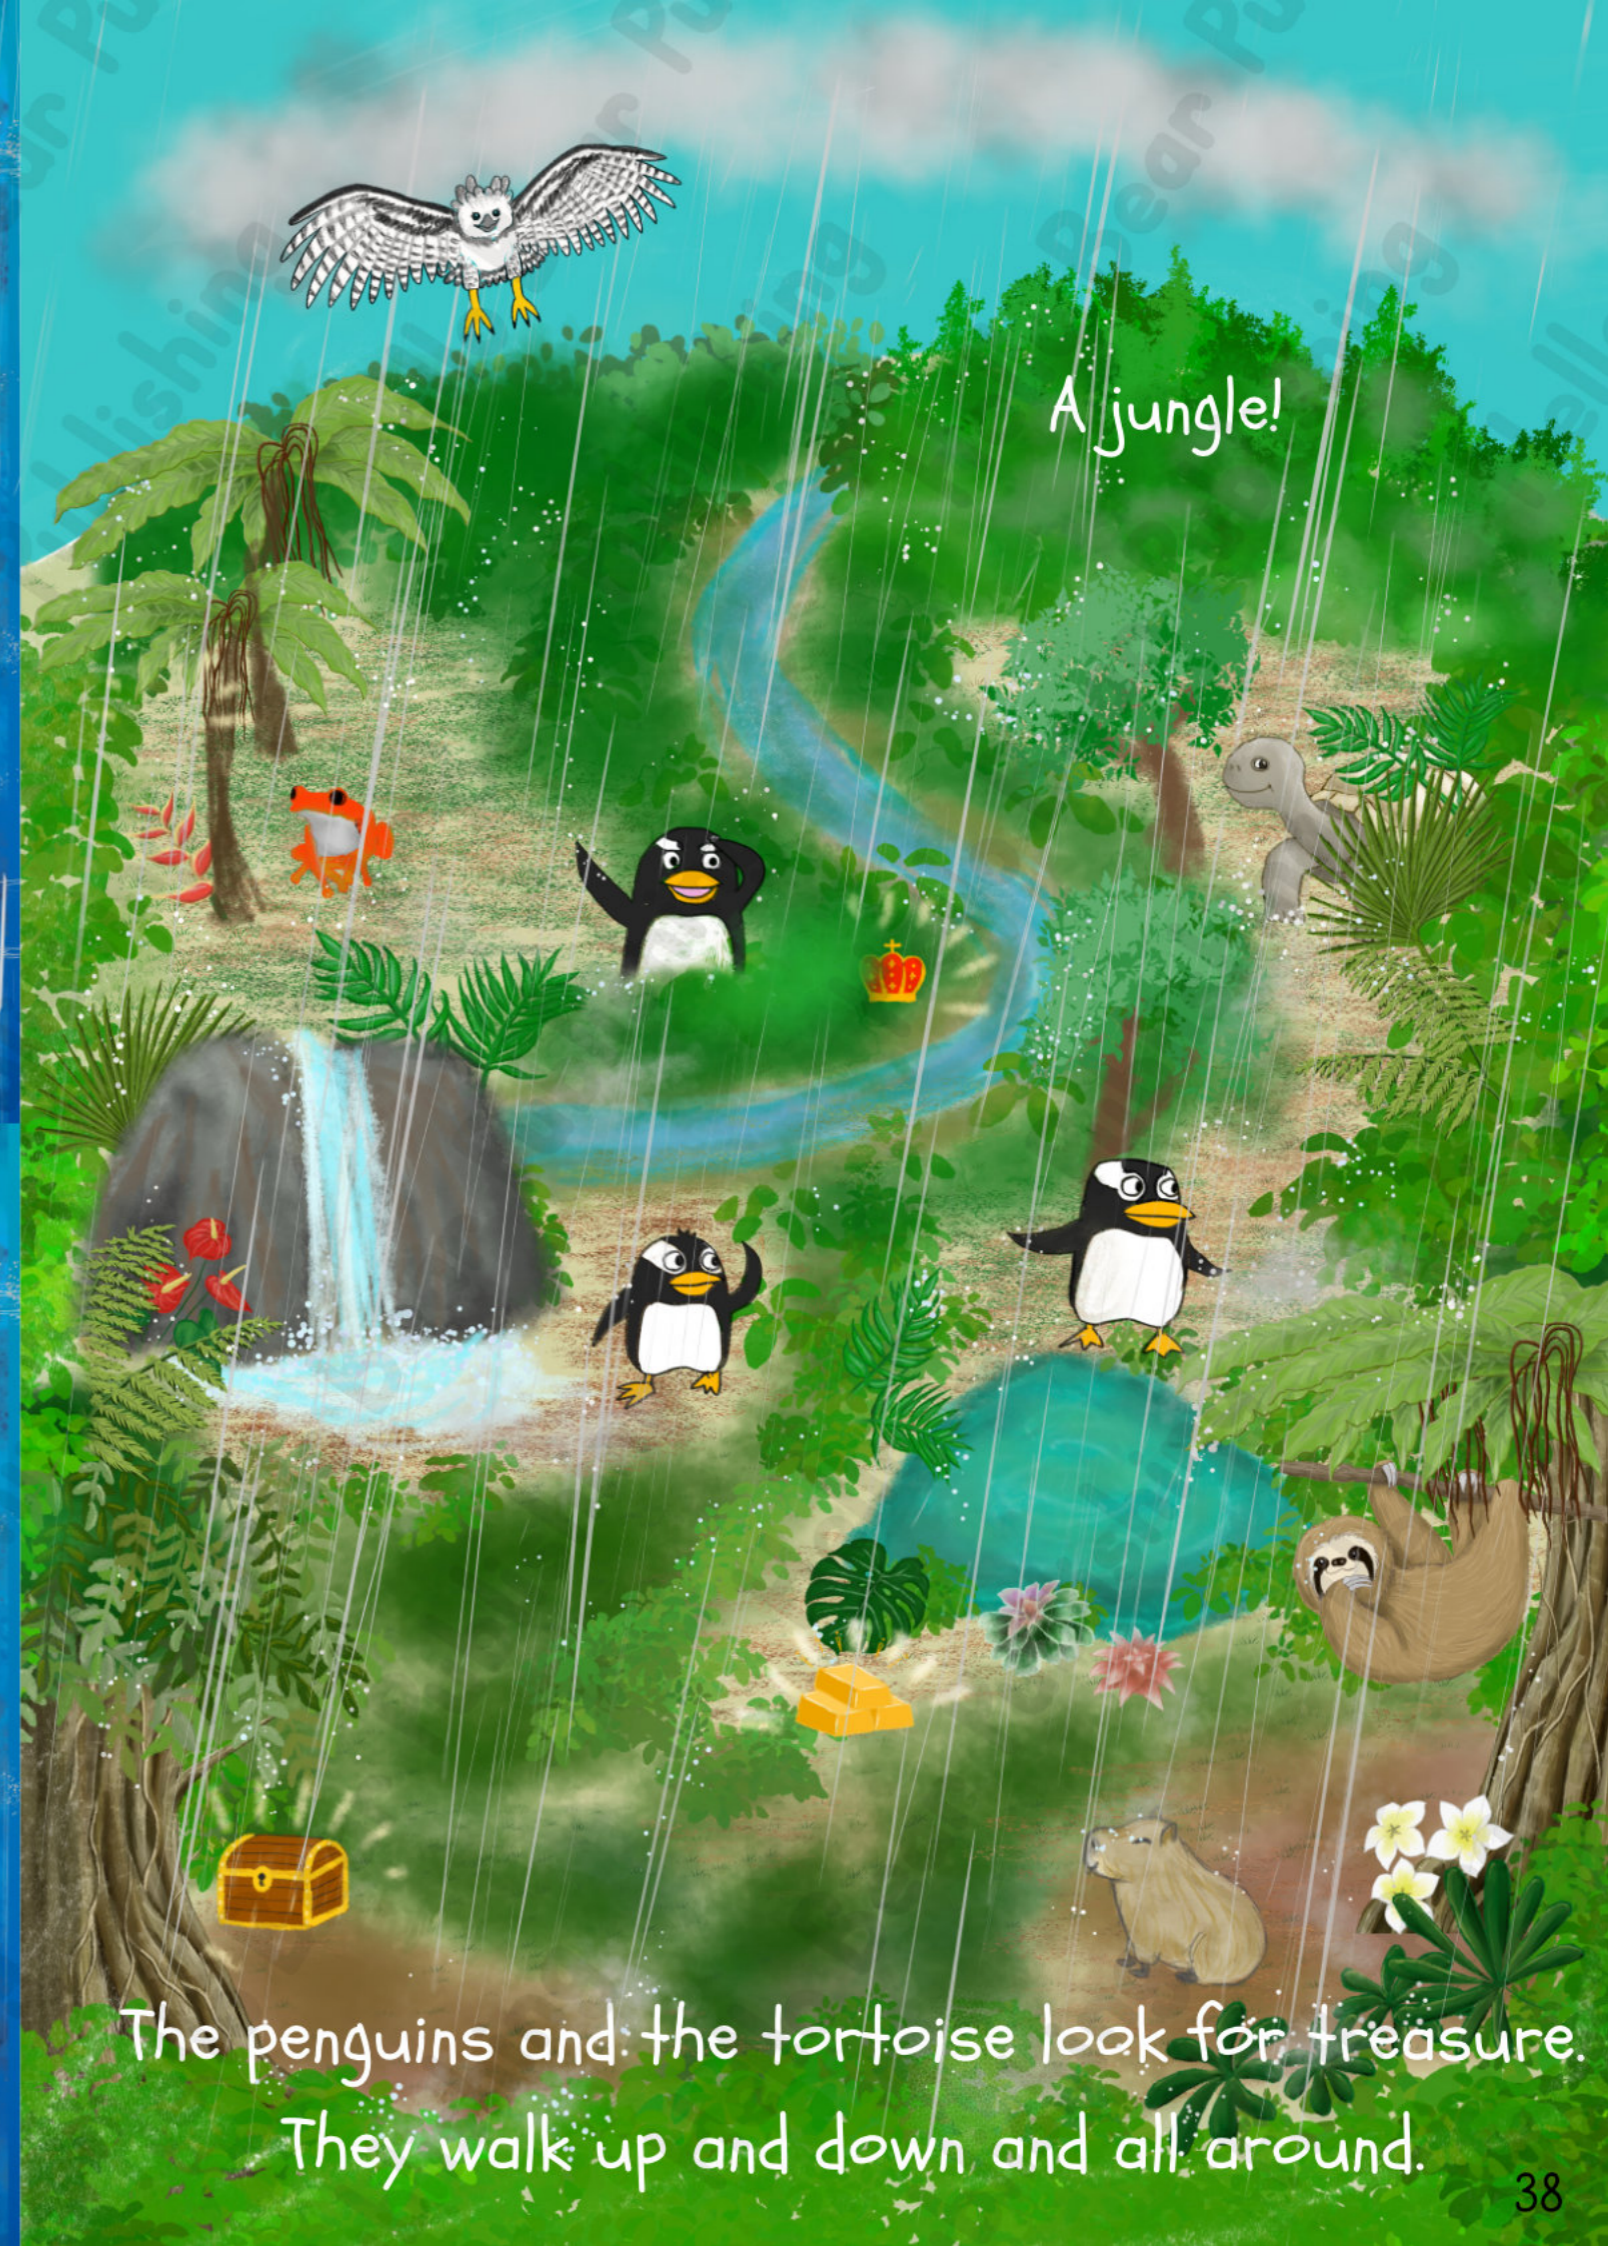

I'm so scared!

Oh no! They are in a storm again.

They meet a gray and white eagle.

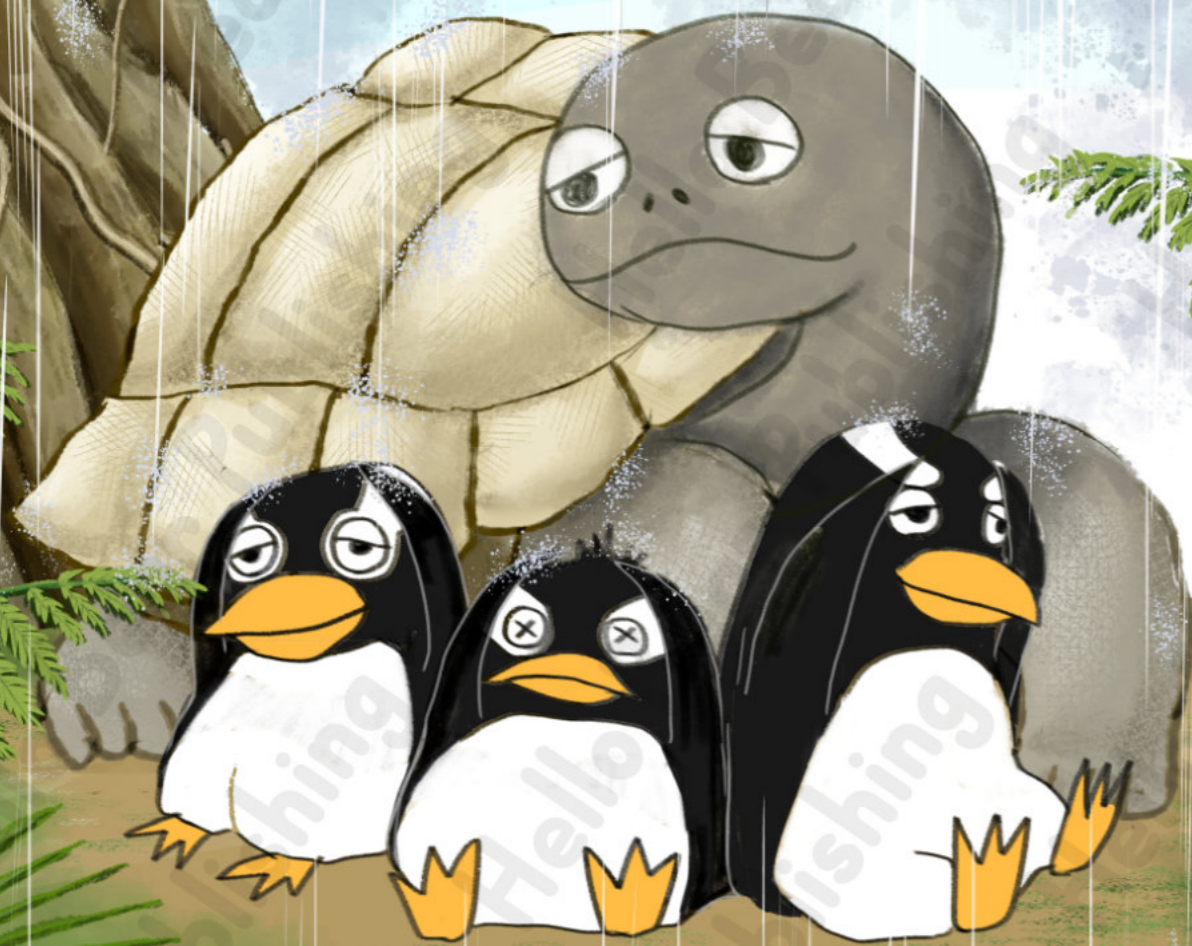

A jungle!

They follow it to ...

The penguins and the tortoise look for treasure.
They walk up and down and all around.

TOO BAD. NO TREASURE.

Wait ... Look ... What's that?!

TREASURE !!!

The penguins find a big leaf.
Woo hoo! Now they have an umbrella.

UH OH!
This is not good.
The pirate ship melted.
No more adventures.

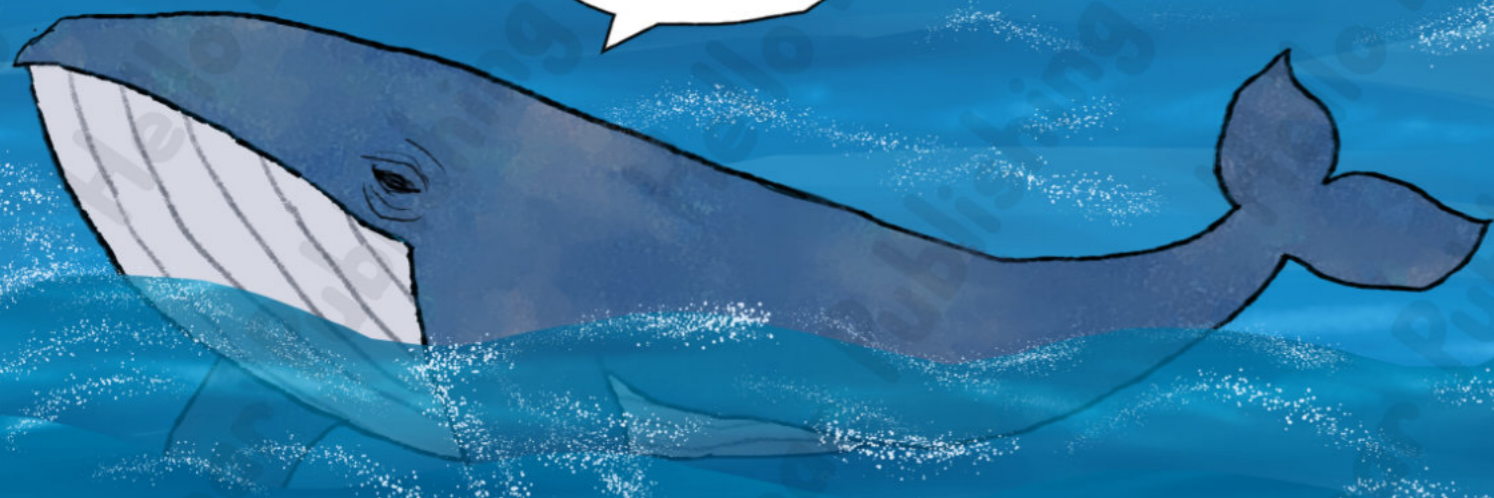

Wait... Look...

What's that?!

It's a whale!

Hop on!

The penguin pirates and their tortoise mate set off on their next adventure.

They visit the city!

They eat
tacos.

They watch
a game.

They surf
big waves.

It's so fun!

They dream of their next adventure.

Where will they go next?

WHERE DO THEY LIVE?

Match the animals to where they live.

A REAL ADVENTURE!

Check out where the penguins visited on their adventure.

ANTARCTICA

Antarctica is very cold! Not many animals can live on the cold ice, but seven kinds of penguins live there! They are amazing!

PATAGONIA

Patagonia is in the south of South America. There are big mountains and forests there. You can see many animals.

ATACAMA DESERT

The Atacama Desert is hot and dry! There are big volcanoes and hot springs there. Animals like llamas and flamingoes live there.

THE GALAPAGOS ISLANDS

The Galapagos Islands have very unique animals. The largest tortoises in the world live there! You can see marine iguanas too!

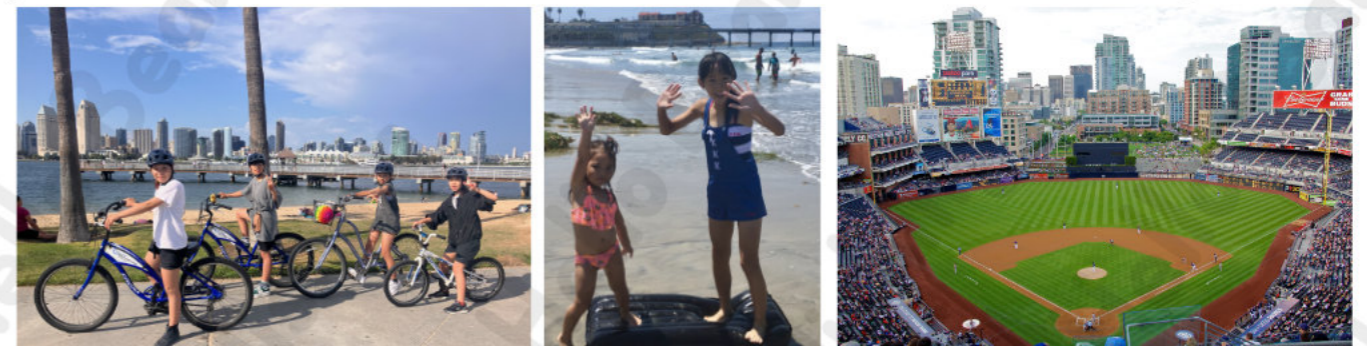

THE AMAZON RAINFOREST

The Amazon is the largest rainforest in the world! You can find many different kinds of plants, animals and insects there.

SAN DIEGO

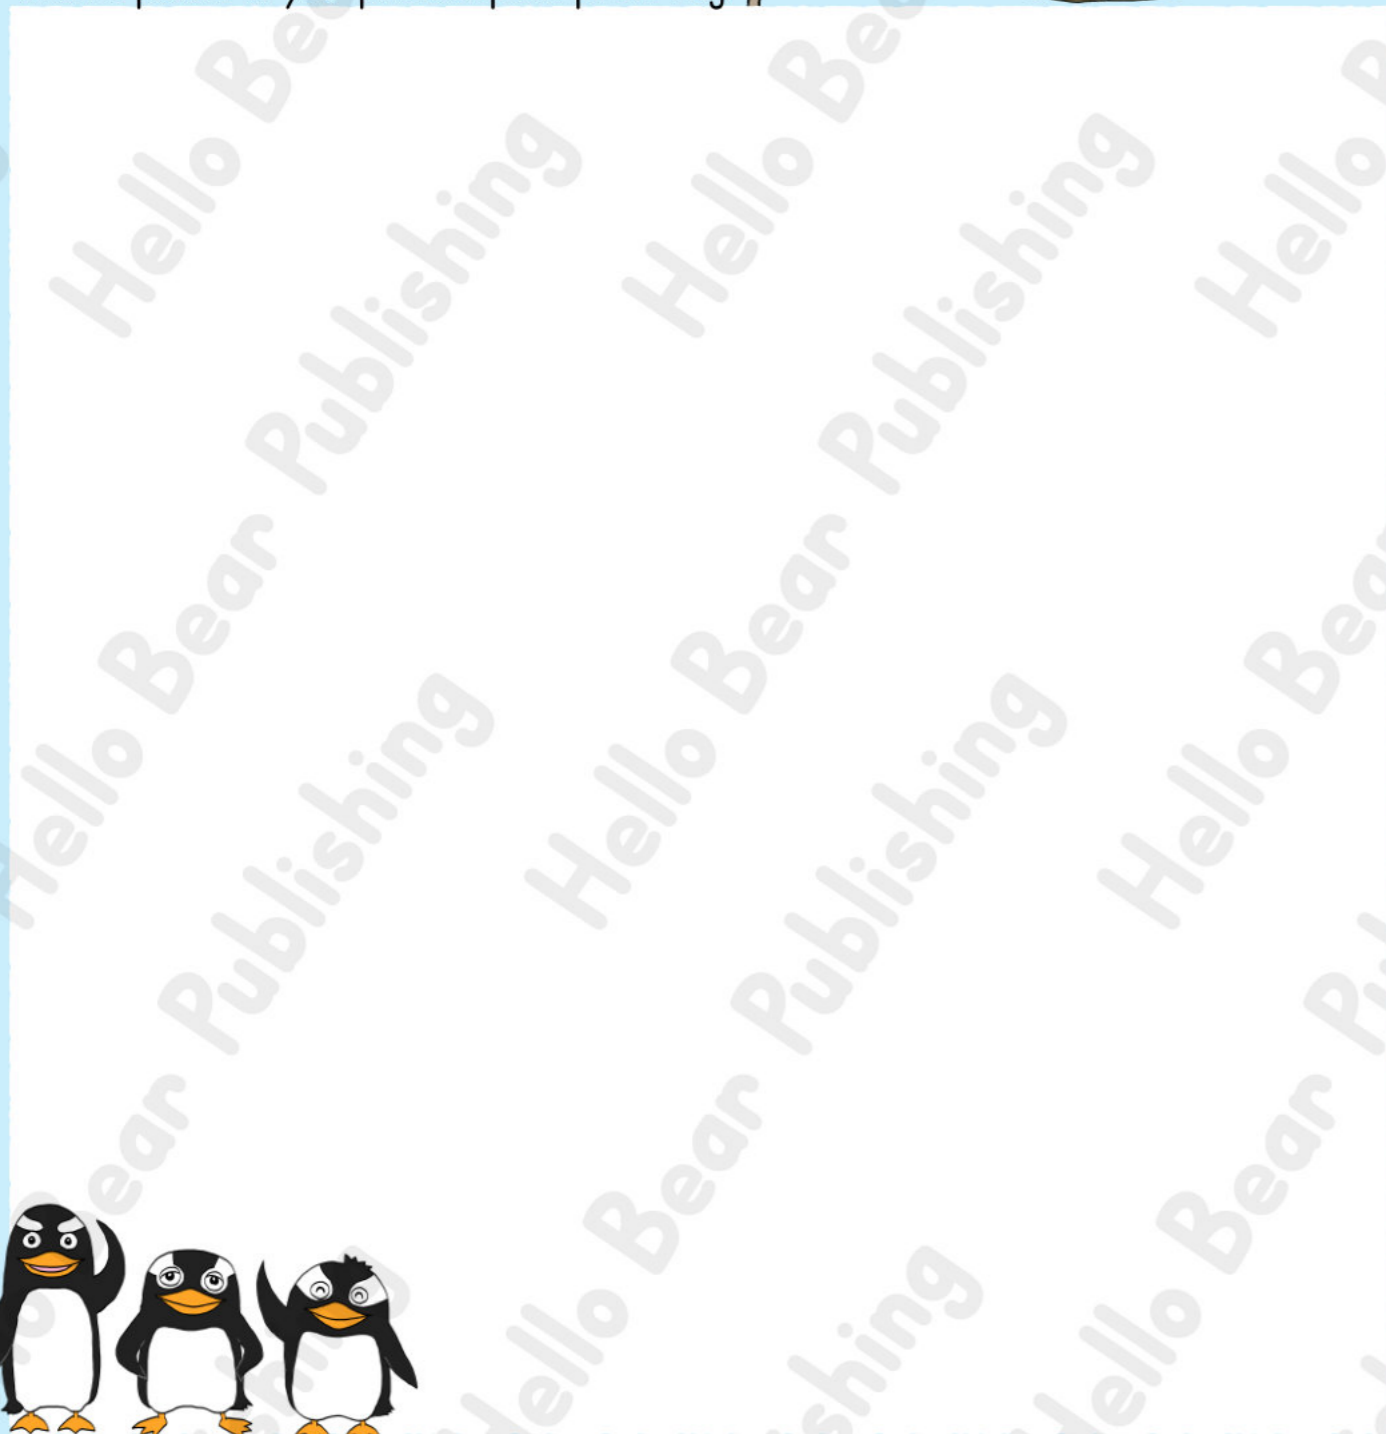

San Diego is a fun city on the west coast of The USA. If you go there, you can swim at the beach or watch a Padres game.
